

ACTING BEYOND THE SURFACE

THE “NUTRITION LABEL” FOR PRODUCTS

Declare helps you better understand the use of healthy product materials by showing you:

- Where Wilsonart® HPL comes from
- What Wilsonart® HPL is made of
- Where Wilsonart® HPL goes at the end of its life
- Whether or not Wilsonart® HPL contains toxic ingredients

WHY DECLARE?

Declare is the only label that combines material transparency and the Red List from the Living Building Challenge. It distills complex chemical ingredient information into an easy-to-read label that is unique to Wilsonart® HPL. Declare helps you find Wilsonart products that are compliant with LBC criteria, which are healthy for people, the environment, and communities.

BENEFITS:

- Quickly evaluate the healthiest surface choice for your next project.
- Contribute to Living Building Challenge, LEED, and WELL projects.
- Simplify the specification process with sustainability information for the exact Wilsonart® HPL surface you need.
