Your legacy, more sustainable.

At Wilsonart, Mother Nature guides our purpose. Sustainability isn’t an aspect of what we do. It’s part of who we are.

A CULTURE OF CARE
Fostering foresight. Minimizing impact.

INSPIRING EFFICIENCY
Using resources wisely. Creating efficiently.

ENDURING PRODUCTS
Lasting longer. Reducing waste.

Every home. Every surface.

As the leader in engineered surfaces, Wilsonart curates a broad portfolio with on-trend designs and innovative materials. Get the look you want — and the surface you need — with timeless designs across the entire suite of Wilsonart solutions. Each surface option has unique benefits, but all Wilsonart engineered surfaces stand apart from natural materials in terms of stain resistance, easy care and maintenance, and lasting durability.

COUNTERTOPS

The perfect countertop can completely define a space. These surfaces must withstand frequent use with lasting visual appeal in any environment, including kitchens, bathrooms, and multi-purpose rooms.

Discover a full lineup of on-trend surfaces that fit any budget, stand up to everyday use in unique and traditional home environments, and maintain lasting visual appeal. Materials include:

High Pressure Laminate (\$):
With designs ranging from natural stone to concrete, marble to woodgrains, and much more, Wilsonart® HPL is the customizable countertop that lasts long into the future while resisting stains and scratches.

THINSCAPE® Performance Tops (\$\$): Discover a European-inspired, sleek countertop with timeless design options and exceptional durability.

Solid Surface (\$\$\$): The seamless, non-porous intelligence of Wilsonart® Solid Surface offers limitless designs and is ideal for integrated sinks.

Quartz (\$\$\$\$): A Wilsonart® Quartz countertop combines the look of natural stone with engineered, maintenance-free durability.

Shower and tub surrounds.

Find the right shower or tub surround material where design, performance, and functionality meet.

Shower and tub surround surface materials include:

- **Wetwall™ (\$\$):** Experience the wow factor of Wetwall™ Waterproof Panels. Create a spa-like oasis in your bathroom with tongue-and-groove panels that install in as little as 2.5 hours and effortlessly handle high-moisture applications.
- **Solid Surface (\$\$\$):** Transform your bath and shower spaces with seamless, non-porous construction that resists stains.
- **Quartz (\$\$\$\$):** Choose durable luxury with one of the strongest materials on Earth. Quartz is easy to maintain, stain resistant, and readily available with upscale designs.

Wetwall™

Wetwall™ is a patented, waterproof, tongue-and-groove bathroom panel system that locks water out without the grout. It's a revolutionary design material that transforms bathrooms more quickly, cheaply, and easily than shower tile. And inspires all kinds of wows:

Wow... no grout? Wow, it goes right over tile? Wow, it's antimicrobial? Wow, it only costs that much? Wow, it looks like that? Wow, it ships that fast? Wow, still looks amazing, years later?

- 

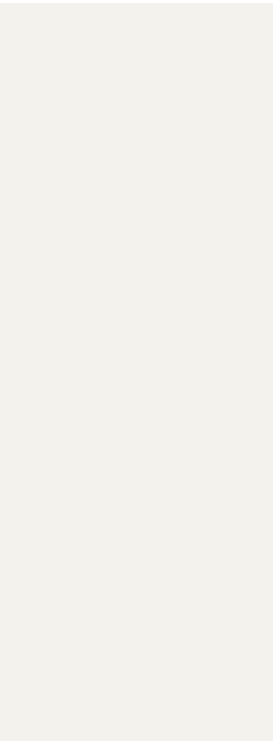

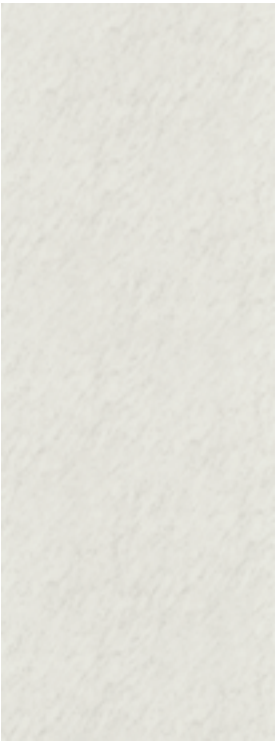

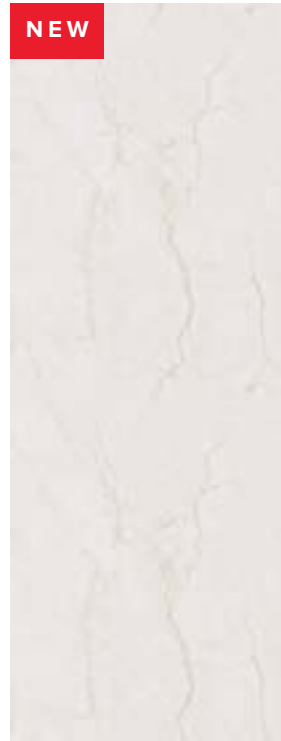

PATENTED WATERPROOF PANEL SYSTEM
Installs seamlessly with customizable tongue-and-groove panels & color matched sealant.
- 

DARING DESIGNS
Looks like marble, stone, or wood—including abstract patterns—and weighs a lot less.
- 

AEON™ TECHNOLOGY
Does double duty: works hard in busy bathrooms and looks luxe longer.
- 

ANTIMICROBIAL PROTECTION
Inhibits the growth of bacteria, mold, and mildew; cleans easily; and won't wash off.
- 

SPEEDY DELIVERY AND INSTALLATION
In-hand in 2 weeks; in the bathroom in 2.5 hours. Plus, exceptional, reliable service.
